Our Asbestos Rapid Response Service is a PRIORITY service aimed at property managers and trades who manage or work on pre-2004 buildings. All on a PRIORITY turnaround (i.e. as fast as we can manage):

- A professional asbestos consultant will attend your site / building
- We will safely collect up to 2 asbestos samples from within the area that you tell us (eg. 'kitchen' or 'laundry' or whatever area you tell us)
- We will have the samples tested by our NATA accredited laboratory and send you the report with the results
- Our standard Terms and Conditions apply, available from www.clearsafe.com.au
