

Asbestos Registers \$400 + GST

▮ Sydney ▮ Illawarra ▮ Newcastle
▮ Brisbane ▮ Sunshine Coast ▮ Gold Coast

Clearsafe is a specialist Asbestos Management and Consulting Firm, and we operate our own NATA accredited laboratory for asbestos testing and asbestos air monitoring. This means you are dealing directly with the experts and you're getting the best possible deal for a genuine professional product!

What's Included for \$400 + GST?

- A professional asbestos consultant will attend your house / shop / small factory complex (must be less than **250m²** and applies to the above-mentioned areas only, otherwise contact us for a quote)
- We will inspect all accessible areas of your building and record any identified asbestos materials
- We will determine whether each asbestos material is "Friable" or "Non-Friable" and complete a professionally backed "Risk Assessment" for each asbestos material identified
- We will safely collect samples where necessary and have these samples analysed by our own NATA accredited laboratory - AS MANY SAMPLES AS NECESSARY
- We will issue a succinct and professional "Asbestos Register Report"
- Our standard Terms and Conditions apply, available from www.clearsafe.com.au

Great Value!

This is a great value offer. A professionally prepared Asbestos Register such as this would normally cost well over \$1000. The NATA accredited testing alone could potentially be worth \$500+.
